

NOTES FROM MRS. NASH

Embracing curious minds. Nurturing compassionate hearts.

HELLO
SUMMER!

ST. JOHN FISHER SCHOOL

JUNE 7, 2023

Dear SJF Families,

We did it! I hope you all share in our overwhelming sense of accomplishment for successfully completing another school year. I applaud our community. The reason behind our success is that we always work together.

I would like to take this opportunity to thank all of the parents and guardians of our Falcons. There is not a more important, frustrating, challenging and rewarding job than being a good parent. And you are exceptional. Thank you from the bottom of our hearts for your partnership. It was our great privilege to educate your child(ren) this year. Thank you, parents. You are so appreciated!

Where would we be without the heart of our school, our committed staff and faculty. During a time when teachers all over the country are leaving the profession, our teachers showed up every single day with a thankful heart and an open mind to support your child and help him/her grow academically, spiritually and emotionally. Faculty and staff, we commend you. You gave our children an advantage this year that will last them a lifetime.

An enormous shout-out goes out to our parent and community organizations: School Advisory Board, Family School Association, Athletics, Women's Club and the Holy Name Society. You give so generously of your time and talent, working together to better our school and community. Thank you for motivating us to be our best and for your never-ending support of our school and parish.

Finally, to the glue that holds us all together, thank you FALCONS! We are forever grateful to our Falcons, for arriving to school each day with a positive attitude and a smile on his/her face, for making us laugh and reminding us what life is all about. You are the reason we are all here. We love you, Falcons. Be safe this summer. Make good choices and keep being awesome!

I hope you have a fabulous summer full of all the blessings that life has to bring! Thank you for your continued support of Catholic education, but specifically St. John Fisher School!

In unity and hope,

-Mrs. Maura Nash

Social & Emotional Learning

At SJF we continue to build upon our SEL goals. Each month of the school year will have an all-school focus on the trait of the month, helping students strengthen particular social skills with different lessons and activities at the classroom level and as an entire school. We encourage you to talk to your children about these traits at home for a consistent message and focus. The trait of the month program is building upon this year's behavior system and school mantra: **Be Respectful, Be Responsible, Be Safe.**

September	Responsibility
October	Respect
November	Gratitude
December	Kindness
January	Integrity
February	Friendship
March	Perseverance
April	Empathy
May	Optimism

Be Respectful, Responsible & Safe. Be a Falcon.

Student Authors

SJF students have checked out over 12,000 books this year - WOW!

In addition to their love of reading, some students have even written their own stories which I have cataloged for check out in the school library and they are circulated frequently.

Have your kids take a cue from these young authors and give them a stack of blank paper to create their own summer story to share in the library when they return to school in the fall.

This not a requirement but I am already excited to see what the kids write!!

Summer Story Challenge:

Write a story about summer. Your story can be fiction or nonfiction, funny or sad, wild or calm, possible or impossible - it's up to you. *Illustrations are awesome but not necessary.*

Here's what it should include:

- Location: Where does your story take place? What might have happened there so far?
- Characters: Who are the main characters? Are they heroes, villains or a mixture of both? Your characters might just be ordinary folks; the main character could be you! Use lots of description, the more interesting your characters are, the more exciting your story will be.
- Setting: Where does your story take place? Think about what the weather is like, what you might see, hear or even smell there. Use a lot of adjectives and adverbs; be descriptive!
- The Problem: Anything can happen, anytime! What kind of problem or problems do your characters have to solve? Keep your story interesting; unexpected events or situations that are difficult make for good reading.
- The Resolution: (the fix, the solution, the happily ever after) What happens? How does the problem get solved? What happens to your main characters (or you)? Wrap it up with a good ending!
